

AN INNOVATOR TODAY, A DIGITAL LEADER TOMORROW.

The SG Digital Scholarship focuses on developing leaders for our technology and media ecosystem.

From accomplishing your education and career, to spearheading our digital future – we'll see you through every step you make towards the global stage.

So if you're aspiring to be a future leader in our tech and media ecosystem, it's time to choose different.

For Undergraduates

For Singaporeans who are keen to pursue tech- or media-related studies at an overseas or local university, and looking for the flexibility to forge their own career path.

[Learn More](#)

For Postgraduates

For Singaporeans who want to shape the future of the digital economy, and are keen to deepen their expertise in specialised fields such as Artificial Intelligence, Quantum Technologies, Immersive Media, and Film Studies, at the Master's or PhD-level.
